October 7th-November 28th Thursday - Sunday 10am - 4pm

A splendid exhibition of creative prints. The tradition of printmaking is an old & varied one and opens the possibility for exploration of mark-making leading to some spectacular effects. The concept of a template from which numerous images may be made has had tremendous social & artistic implications. The Official Opening is on Friday October 8th at 6.30pm, after which a delicious dinner will be available on the Café veranda. Please book for the meal, 66 897 449. The Gallery also holds a Farmers Market every Saturday from 9am till 1pm in the grounds of the Hall overlooking Blue Knob Mountain.
